MEETING INFO/DETAILS
Each of the 16 riders takes four rides in the 16 Qualifying races. Gate positions per helmet colours: Red Gate 1, Blue Gate 2 etc. The top two qualifying riders on points are seeded direct to the Final. The next four top scoring riders from the qualifying heats go to the Semi Final and the top two from that semi are directly into the Final. If any tie on points to decide places, count back will come into effect. i.e most race wins, seconds etc or fastest times will be used.
